

PRACTICE SPOTLIGHT: FEBRUARY 2018

SILVERSTEIN

EYE CENTERS, P.C.

Practice Specialty: Ophthalmology

Welcome to Silverstein Eye Centers, Kansas City's most trusted full-service eye care practice that specializes in laser-assisted cataract surgery, premium lens implantation surgery, bladeless LASIK vision correction, glaucoma, diseases of the cornea and retina, treatment of dry eye and effects of diabetes.

Silverstein Eye Centers has built its reputation upon delivering the highest quality medical and surgical outcomes, provided by a team of professional, ethical, and compassionate doctors and staff supported by the exceptional technology. Our practice environment is specifically designed to ensure patient comfort, warmth and privacy. The focus, and indeed the very philosophy of this practice, is based upon total patient care.

Choose Silverstein Eye Centers for your family's eye care.

THE DOCTORS AND STAFF OF SILVERSTEIN EYE CENTERS ARE PROUD TO ANNOUNCE THE ARRIVAL OF DR. TIMOTHY STOUT, FELLOWSHIP TRAINED RETINA SPECIALIST SPECIALIZING IN DIABETIC RETINOPATHY, MACULAR DEGENERATION AND ALL MEDICAL AND SURGICAL DISEASES OF THE RETINA. PLEASE CALL TO SCHEDULE YOUR APPOINTMENT WITH DR. STOUT TODAY!
