

PRACTICE SPOTLIGHT: FEBRUARY 2014

WILLIAM O. REED, JR., MD, MBA **Orthopaedic Spine and Upper Extremity Specialist**

Highlights:

Native of MO, Duke trained Orthopaedic Surgeon, 30 years' experience.

Practice focused upon Entire Spine and Entire Upper Extremity.

Minimally Invasive techniques for surgical care of patients, minimizing pain and time for recovery, return to work and play.

World recognized endoscopic Spine and Upper Extremity Surgeon and Instructor. Consultant, published author and researcher to Bio-Med industry; Spine Fellowship Instructor. Independent practitioner.

Conservative, injection, surgical techniques mastered. Emphasis upon outpatient surgical experience for patient and family convenience, as well as lower insurance and out-of-pocket expense. Willing to visit each practice physician group, and impart best practice techniques for conservative care and appropriate diagnostics, and when to call for pain management/surgical consultation. I will help you to maximize your patient satisfaction, results, efficiency, control and outcomes from decades of surgical practice and formal business training.

Staunch supporter of physician independence and KCMIPA ACO efforts since inception.

Without question, very personal service, known for;

MORE OPTIONS, MORE EXPERIENCE, MORE CARE.

CONVENIENCE:

Same Day Appointments are available. 24/7 Emergency coverage.

Even more convenience for your patients, now available to arrange specialty clinic time in your primary care office, morning or afternoon!
