

PRACTICE SPOTLIGHT: JULY 2016

Practice Specialty: Infusion Therapy

Infusion Express provides a safe and convenient way to receive IV therapy, with comfortable rooms and flexible scheduling.

Patients enjoy the spa-like surroundings and private infusion rooms outfitted with WiFi, large screen TVs, and snacks.

Whether enjoying a movie in the family room or catching up on emails in the private office space, patients will appreciate our professional nursing staff and excellent customer service. The physician-owned facilities offer extended weekday and Saturday appointments.

Infusion therapy at a place and time that works for the patient, with **three convenient locations** in the Kansas City metropolitan area:
