

PRACTICE SPOTLIGHT: OCTOBER 2021

MAHMOUD WAHBA M.D. , P.A.

Practice Specialty: Psychiatry

I am a psychiatrist and addiction specialist with over 30 years of experience in both academic and private practice. I am also a clinical faculty at UMKC and KU and a distinguished fellow at the American Psychiatric Association.

Some of the highlights of my career are clinical director for psychiatry at Kaiser-Permanente for both Kansas and Missouri, senior medical director for Cigna MCC Company (in Kansas, Missouri, Iowa, and Nebraska) and multiple medical directorships at various psychiatric and rehab facilities.

Also, I served as the last president for the Western Missouri Psychiatric society.

My motto is to provide for my patients the same level of care and attention as I expect for my own family members

My office is now accepting new referrals. I will assist and support your patients, physicians, and staff in all mental health and addiction needs and services. I also want to make new referrals to your practices.

Please feel free to contact me if I can be of any assistance.
